

April 2012, he was inducted as a member of the Coast Guard Academy's Wall of Gallantry.

Commander Moeller has further contributed to our Nation's safety and security as a business executive with Pratt & Whitney. In this capacity, he has furthered the development of the aerospace industry, committed to our national defense by both air and sea.

I invite my Senate colleagues to join me in congratulating Commander Moeller on his retirement and remarkable allegiance to the Coast Guard and his country. We wish him great success and thank him for his tremendous service.

##### REMEMBERING RICHARD EARDLEY

• Mr. CRAPO. Mr. President, today I wish to honor the life of Dick Eardley, who will be remembered as a man who cared deeply about his loved ones and community and worked hard to make a difference on their behalf.

As mayor for more than a decade, he was the longest serving mayor of Boise and was successful in enriching the city. During his time as mayor, he focused on revitalizing the city and worked extensively with business and community leaders to draw more commerce into downtown Boise. Those efforts led later to both a vibrant downtown core and to the development of the Boise Towne Square Mall, preservation of Boise's historic North End, creation of the Boise Arts Commission and bringing the World Center for Birds of Prey to Boise. He was also involved in many other local advancements, including the Greenbelt, the Senior Citizens Center, the parks, and Warm Springs Golf Course.

In addition to his public service, Dick had a career as a newsman. In his hometown of Baker City, OR, Dick worked in radio before moving to Idaho, where he went to work as a reporter covering sports and news for the Idaho Statesman. He then went on to work for KBOI-Channel 2 and KBOI-670. He announced high school sports and worked as a sportscaster and news executive. His reporting and work as city councilman and mayor earned many honors and recognitions.

Dick was an extraordinary individual who moved forward from a modest, Depression-era beginning in pursuit of his dreams. He had an exceptional way of connecting with people, which is likely why he had so many friends and acquaintances who admired and respected him. He had a deep love and devotion for his wife, Pat, of 57 years, who passed away 5 years ago, and he was a caring, giving and supportive father. Dick was also a natural athlete, who played semi-pro baseball and was known for his fondness and knack for golf.

I extend my condolences to Dick's loved ones, including his three sons,

Randy, Rick and Ron; six grandchildren, and two great-grandchildren. Dick's example of respectful sincere, humble, benevolent service and hard work will endure.●

##### GARDEN CITY, SOUTH DAKOTA

• Mr. THUNE. Mr. President, today I wish to recognize Garden City, SD. The town of Garden City will commemorate the 125th anniversary of its founding this year.

Located in Clark County, Garden City was first settled in 1882. However, it was not until 1887 that the Chicago, Milwaukee & St. Paul Railroad line was built and sparked the official establishment of the town. By the end of 1887, Garden City had a post office, a railroad depot, and a grocery and hardware business. In the years that followed, Garden City became an agricultural center for the area, especially for potatoes. The first potato crop in the Garden City area was planted in the early 1900s. By the 1940s, half a million bushels of potatoes were being harvested from the area each year.

South Dakotans living in the Garden City area have a proud tradition of hard work and remain committed to their strong heritage and traditions. Though many things have changed in the last 125 years, the quality of character of Garden City residents has remained something of which the town should be very proud.

Garden City has been a tight-knit community for the past 125 years, and I am confident that it will continue to serve as an example of South Dakota values and hospitality. I would like to offer my congratulations to the citizens of Garden City on this landmark occasion and wish them prosperity in the years to come.●

##### MESSAGES FROM THE PRESIDENT

Messages from the President of the United States were communicated to the Senate by Mr. Pate, one of his secretaries.

(The messages received today are printed at the end of the Senate proceedings.)

##### REPORT RELATIVE TO THE CONTINUATION OF THE NATIONAL EMERGENCY WITH RESPECT TO SIGNIFICANT TRANSNATIONAL CRIMINAL ORGANIZATIONS THAT WAS ESTABLISHED IN EXECUTIVE ORDER 13581 ON JULY 24, 2011—PM 57

The PRESIDING OFFICER laid before the Senate the following message

from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs:

*To the Congress of the United States:*

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within the 90-day period prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency declared in Executive Order 13581 of July 24, 2011, is to continue in effect beyond July 24, 2012.

The activities of significant transnational criminal organizations have reached such scope and gravity that they threaten the stability of international political and economic systems. Such organizations are becoming increasingly sophisticated and dangerous to the United States; they are increasingly entrenched in the operations of foreign governments and the international financial system, thereby weakening democratic institutions, degrading the rule of law, and undermining economic markets. These organizations facilitate and aggravate violent civil conflicts and increasingly facilitate the activities of other dangerous persons.

The activities of significant transnational criminal organizations continue to pose an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States. Therefore, I have determined that it is necessary to continue the national emergency declared in Executive Order 13581 with respect to significant transnational criminal organizations.

BARACK OBAMA.  
THE WHITE HOUSE, July 18, 2012.
